## CURRENT PUBLICATIONS.

The Overland for September is one of the best numbers that has been issued. The stories are all interesting and the matter crisp and clean

The frontispiece in Outing is "An Anxious Moment," a scene in duck-shooting, and one that every duck-shooting, and one that every duck-nunter will appreciate. There are two cruising sketches, besides the "Racing Down-to-Date 51-Footer." "Among the English Costwolds" is a pastoral sketch handsomely illustrated. "The Mongo-fian Phensants" is a story of a hunt in Osegon. "Mores, the Tale of a Dog."

Bismarck." by Emilio Castelar, and They are filling up the papers are both excellent papers.

"Self Culture" has been received. It is full of useful and interesting matter, so grouped in short articles, under a great variety of headings, as to receive it of the heaviness which one might fear in a magazine of knowledge. The articles, notes, inquiries and answers in Self Culture are, more over very suggestive, and are calculated to lead experienced as well as inexperienced readers into more intelligent observation, conversation and study.

Mark Twain is the next famous per-

The MacMillan company will publish at an early date from Chaucer to Arnold, types of literary art an intriduction to English literature. Edited by Andrew J. George, department of English, High school, Newton, Mass. Editor of "The Shorter Poems of Milton," etc. The purpose of this volume is to give a speaking acquaintance with the English authors, and to present a general view of the main features of English literature in verse and prose with the chromological setting. It is intended as a preparation for the extended study of a few of those authors whose formative power as artists and teachers has tive power as artists and teachers has been most significant.

## COMMENTS OF THE PRESS.

As Delegate J. Golden Kimball expresses it, 'any intimation to the effect that Geogre Pyper was a non-partisan is a stigma upon his name.'

But no such atigma was placed there by the convention. If any individual did it, the convention Edward of the convention of

the in the agrelating which followed the vindication of Mr. Pyper by the chair,

Senator Teller, the ideal silver knight, whose sincerity has never been questioned and whose independent has been extolled by the Tribune of this city and again, said something yeater, day, at Colorado Springs, that applies

Ethine; and the success of Josef as a rate may be attributed, in a measure, to the popularity of his queen and independent of the consequential co-operation of his people.

The consequential co-operation of his why anyone should single her out, why anyone should single her out, was, as an example of aristocracy, as an example of aristocracy, as a victina for the assassin's halfe, is hard to understand.

The G. A. R. at Cincinnati denounced the assassin's halfe, is hard to understand.

The G. A. R. at Cincinnati denounced in the following from the pen of Major Littlefield, a life-long flepublican who Littlefield, a life-long flepublican was some very dear the state of the same and instinct two units the success of Josef as a restrong ticket, take it all in all, and the interest manifested in the work of the convention until the money barons walked out until the following from the work of the convention while it all in all, and the interest manifested in the work of the convention of the like it all in all, and the interest manifested in the work of the convention of the same walked out until the money barons of the convention of the same walked out until the money walked in the work of the convention of the like it all in all, and the interest manifested in the work of the conv

## STATE PRESS COMMENT.

Salina Press: We heard a prominer citizen resterday say that this fall he is going to vote the Democratic ticks straight. Not that he believes he mish better himself by so doing but he is filled with disgust at all this twaddle about presperity, when the truth is that there is no prosperity. There is no money is the country, farm products are worth more than under Geveland, and the wage-carrier receives nothing for his toff. The gentleman is a Republican.

Prove Enquirer: Fusion in Senator Can-non's own city has been voted down by the Democrata. There is now nothing for the senator to do if he desires to remain in politics in the state but to join the party in whose interest he has been work-ing since elected, and whose national chairman has publicly endorsed his votes, the Democratic party.

Payson Globe-Hender: It seems that the wat department is laboring under the ingression that not enough soldiers have been killed on the battlefield during the war just closed, and retend to retain
